

Meeting - I

Gorla Nana Aditya

Scenario -1

- Addressing Change request delay the project by 1 week
- If not addressed client profits decrease by 10%
- Cost increases by 20 USD

Solution -1

- By the end of fourth week, release the MVP that might bring revenue

Scenario - 2

- If MVP brings losses due to not having contact page

Solution - 2

- Release the product within the same week at half cost
- But Regression testing will get affected

Thank you!
